

Birthday Book Club

The Hawley Birthday Book Club is a great way to support our Hawley library by donating new high quality books that are purchased through your donations given in your child's name for his/her birthday. These books will become the property of the Hawley School library where they can be shared and checked out by children for years to come.

Each child has the opportunity of enrolling in the book club. One day each month, participating birthday children are then invited to come to the library and begin the "celebration" with a special snack. Your child can then select a new hardcover book from a wonderful collection, chosen by our librarian. Your child will then bring the book home for your approval. If you like the book and wish to proceed, you will return the book to school, along with the letter that came home with the book (which you have signed to say you have chosen the book). Once the book is back in the library a label will be placed inside the cover indicating that the book was given in your child's name. In years to come your child, their siblings and friends will still see the book with their name on the inside cover.

Participation is entirely voluntary. To take part in the BIRTHDAY BOOK CLUB, please complete the form below and send in a check for \$15 per child made payable to Hawley PTA, in an envelope marked "Birthday Book Club." **You may join at any time throughout the year, even if your child has already had a birthday this school year.** You may join one child at a time or all at once. If you have any questions, please contact Karen Smiley at Karenesmiley@gmail.com or telephone: (203) 304-1572. Thank you.
